POBLACIÓN ESCOLAR  
COMPRENSIÓN DE TEXTOS ORALES – CONVOCATORIA  
ORDINARIA. CURSO 2021/22**

**TAREA 1**

**Speaker 0 (example)**

My favorite country is -- that I've visited -- is probably Spain because I'm not keen on Europe for vacation usually but I've been to Barcelona and Barcelona had everything that you could possibly want from a holiday destination, so Spain I think.

**Speaker 1**

-- My favorite country to visit is Japan because I have many family members in Japan and every time I come here, everybody treats me really well and I have lots of great memories from when I was a child, spending time with my cousins and uncles and aunts.

**Speaker 2**

Of all the countries I've visited, I would probably say my favorite is Japan because it's clean, safe, the food is healthy -- this is traditional Japanese food I mean -- and it's a place where I can make a living as an English teacher. I can't do that in Australia.

**Speaker 3**

The world's a big place, and I've been to a few of the countries in the world and maybe I can't pick one favorite country. It's too difficult but two or three of my favorites would be Japan and India and I like these two countries because they are very extreme. They are very foreign from my home country, Canada, and there's a lot of things that are different that I don't understand, that are very exotic and rare so I think India and Japan are my two favorite countries in the world.

**Speaker 4**

My favorite country I've been to? That's a difficult question. I've been to lots of really nice countries but probably I would say Egypt because Egypt for me is really important because of the history of the country and I say some really important places when I went to Egypt. I saw the pyramids. I saw Mt. Sinai and climbed mount Sinai and so I think probably Egypt was my favorite because of the historical values and also because of the weather.

**Speaker 5**

What's my favorite country? My favorite country at the moment is probably Laos because it has everything what people sort of think old Asia is, you know, people with the bamboo hats, you know, livestock running to and from, water buffaloes, dirt roads, you know, it's kind of like the romantic idea of old Asia.

## TAREA 2

Shirley talks about her weekend, doing chores, taking in nature and some art.

Josh: Hey, Shirley.

Shirley: Hey, Josh.

Josh: So how was your weekend?

Shirley: Hmm, quite busy this weekend.

Josh: Really? Those are hard.

Shirley: Yeah.

Josh: So what did you do on Saturday?  
house.

Shirley: Well, Saturday morning, I usually clean the  
Josh: Okay.

Shirley: Yeah. It's kind of boring, but I have to clean the bathroom and then the kitchen, and then the lounge room because I have lots of cats. And the cats leave hair everywhere. So I always have to clean on Saturday mornings.

Josh: Yes, cats are messy.

Shirley: Yeah.

Josh: So after you cleaned, what did you do?

Shirley: Well, in the afternoon, I went for a walk up the mountain. It was a beautiful sunny day. There were no clouds in the sky.

Josh: Wow.

Shirley: It was gorgeous. So I walked up the mountain and I saw a *ferret*.

Josh: A ferret?

Shirley: Yeah.

Josh: Wow.

Shirley: They're a little *furry* animal, four legs, tail—not like a rabbit, but about the same size as a rabbit.

Josh: Okay.

Shirley: And they're kind of gold brown color.

Josh: Wow, did you see any other animals on your walk?

Shirley: No. I didn't see any other animals on the *ground*. But I did see a beautiful bird flying in the sky.

Josh: Wow. Do you know what kind?

Shirley: I think it was an *ibis*. It's a big bird that usually walks in the water. It has long legs and it was white with a black head.

Josh: Great. So after your walk, did you do anything else?

Shirley: I went home and then I watched some TV.

Josh: Okay.

Shirley: That was about it for my Saturday.

Josh: Okay. What did you do on Sunday?

Shirley: Sunday, I went to the art museum.

Josh: Really?

Shirley: Yeah.

Josh: Great.

Shirley: I really like to go and see new art; pictures or paintings or photographs or sometimes *sculptures*.

Josh: Okay. So who's your favorite artist?

Shirley: I don't really have a favorite artist but I really like watercolors, so pictures that are painted with just soft—a kind of soft painting style.

Josh: Do you like paintings of nature?

Shirley: I do like paintings of nature. I especially like paintings of flowers and animals and places that have water like lakes or rivers or the sea.

Josh: Oh, that sounds like you had a great weekend.

Shirley: Yeah, it was good. Thanks.

Josh: Okay.
