*(Holidays)*

**Daniel:** So we're talking about holidays. Is there any really, really good holidays that you remember?

**Hana:** Well, one of my favourite holidays was when I went to Greece (**GAP 0, example**) a **couple of years ago** with my family.

**Daniel:** Wow, Greece, I've never been there. How is it? Sounds really, really nice.

**Hana:** Greece is a very beautiful country. (**GAP 1**) **The houses are ... everything is so white and the beaches are so beautiful.**

**Daniel:** So what did you do in Greece?

**Hana:** Mainly I just relaxed at the swimming pool and at the beaches. And (**GAP 2**) **at nighttime I went shopping with my mum.** And we had some really nice food too.

**Daniel:** So you said you went with your family, right?

**Hana:** Yes, (**GAP 3**) **I went with my mum and dad and brother.**

**Daniel:** And for how long did you go there?

**Hana:** We went for four days.

**Daniel:** It sounds really cool, like really nice holidays.

**Hana:** So Daniel, I heard you went on a vacation, where did you go?

**Daniel:** Yeah, I went to Taiwan.

**Hana:** Oh, sounds interesting. What did you do?

**Daniel:** Well, I did a lot of things. It's a really interesting place. I saw a lot of culture. I saw a lot of history. I went to beautiful places. They have like really, really (**GAP 4**) **beautiful nature.** Everything was really, really good.

**Hana:** How was the food?

**Daniel:** Well, the food in Taiwan is amazing. You wouldn't believe how good it is. (**GAP 5**) **Everything tastes amazingly. And the good thing about it, it's really, really cheap.**

**Hana:** I see. Who did you go with?

**Daniel:** I went with a Taiwanese friend, so that was really good because (**GAP 6**) **I cannot speak Mandarin.** And **my friend helped me a lot** with all the food, and that was really good because I really appreciated that.

**Hana:** How long did you go for?

**Daniel:** It was about eight days. And I think (**GAP 7**) **it was more than enough to get like a quick view** of the whole island. It was really nice to go from Taipei in the north to some cities in the south. I think I got a really good impression of what Taiwan is.

*(Stephanie's likes and dislikes)*

I would like to tell you a little bit about some things I like and then a little bit about some things I don't like.

First of all, I really enjoy exercising. Some of my favourite types of exercise are swimming **(GAP 0, EXAMPLE) especially in rivers** in the country and in big oceans, because I like to jump over the waves. I also really enjoy dancing. **(GAP 1) I like dancing to American music** because that's what I know best. And I also like salsa and merengue, which are more Latin types of music. I also like to **(GAP 2) walk in the woods** and to explore. I like to **walk through forests** and I like to hear rivers. **(GAP 3) I enjoy meeting new people too.** I like to find out about different ways of life, what different people think, where they're from and how they live. Probably one of my favourite things are animals. **(GAP 4) I really love dogs, and cats and horses.** When I was little, I always tried to talk my mom into letting me have my animals but usually she wouldn't. So I think that now that I'm going to have my own house, I'll try to get lots of animals.

Some things that I don't really like are rude people. **(GAP 5) Sometimes people are not very nice to strangers** and that makes me feel bad. I also don't really like driving. **(GAP 6) I tend to get pretty bored in the car** and it seems like it takes such a long time to get there. One final thing **(GAP 7) I don't really like is waiting.** Sometimes I'm not a very patient person and I just like to hurry things up.
