GREENPEACE INTERNATIONAL- MADRID

Do you want to join us? We need young people interested in the environment who speak some English and who want to try to do something at their school. We need to make people see how important it is to take care of the environment, sometimes so difficult in a big city like Madrid. Contact us and tell us what you think you can do: greenpeacemadrid@ten.es

Do not waste this opportunity to help save the environment.

Write an email to Greenpeace including these points:

- Explain who you are and where you study English.
- Tell them why you want to collaborate with the organization and what you can do at the school to protect the environment.
- Ask for brochures, booklets, or posters containing information to give to your schoolmates.
