TASK 1

You are living in Brighton, England, and this weekend it's your friend Tina's 30th birthday, so you and two other friends want to take her somewhere special for dinner on Saturday. You've heard of a really good Italian restaurant in town, and you decide to search for some reviews online.

Read these reviews from Tripadvisor about *Mediterraneo Restaurant* and write a **Whatsapp message** to your other two friends **with the most important information that you found about it: type of restaurant, opening days, type of food, atmosphere, service and price.**

Fantastic Sicilian	
<p>What a great find, thanks to Tripadvisor. We've recently moved to Brighton and are investigating our local restaurants. It's only open for evening service on Fridays and Saturdays, but it's well worth booking. Nothing to look at from the outside, but once inside it is a tiny (16 seater?) local restaurant run by Giorgio and his wife. Very personal service, relaxed and welcoming atmosphere and really delicious Sicilian food and wine. Oh and also- the best coffee on Portland Road! It's like being invited into someone's home. We highly recommend it.</p>
