ORAL MEDIATION

Your friends, an elderly Irish couple, want to buy a house on your island and have asked you to help them. They need to be near a hospital in case of health problems because they don't drive. They would like a garden and they also need room for their family to visit them.

You have found the two options listed below which match their needs and their budget. Leave them a voice message describing the two options and recommend the best option for the couple.

You can make notes to use only as a guideline.
