Instructions:

You have received this email from your friend Andy:

Hi! How are you? I haven't had any news from you for ages.

Do you know I met John last weekend? He told me you got together in Málaga three weeks ago. What were you doing there? Write to me and tell me what you did.

I'd love to see you soon. When are you coming to Bristol?

Take care,

Andy

Send an email to Andy in about 80-100 words and answer his questions. You should:

- tell him why you went to Málaga.
- explain when and how your meeting with John was.
- your plans for Bristol.
