TASK 1

You have found a hotel for a weekend away with your friends. Write to them summarizing the information in the reviews on The Ark Hotel. Write your message in 80-100 words.

Homey experience

"When we arrived, I felt like we were at a family reunion being greeted by a cousin or old friend. They helped me carry my stroller up the stairs in a very casual way. The room was lovely and relaxing, the beds comfortable, and the hotel location was terrific. It's a secluded and beautiful street filled with traditional architecture with hooks and pulleys at the tops of the houses, kids playing and riding their bikes. It's in the center of the city but feels like a quiet, beautiful, flower-filled village. And only a few minutes away on foot from all the must-sees."

Ideal

"Beautifully-kept and reasonably priced hotel. I loved the quiet little street it is on, with a two block walk to a supermarket, metro, tram and bus. And there is an elevator! The area is perfect for exploring the city and beyond."

A hidden gem

"The family/staff went out of their way to make my stay comfortable, including a free upgrade and an early check-in at no charge. Really good value, would definitely come again!"
