GAP YEAR

In many countries a gap year is an option for high school students. Many teens start thinking about the possibility of taking a step back from intense academics and get some time for themselves to think about their future.

You and your partner (student B) are thinking about the idea of taking a gap year. Discuss about the pros and cons exchanging ideas.

You start the conversation.

Here are some ideas that might help you but you can include any others you find convenient:

- Avoid burnout.
- Gain maturity.
- Lasting friendships.

INSTRUCTIONS

- Individual preparation time: 3 minutes

- Interaction time: 6-7 minutes

- You can take notes during the preparation time. You can only use these notes as a guideline.

- This test will be recorded.
