Food waste

Nearly one third of all food produced in restaurants, supermarkets and individual households goes to waste. Discuss the impact of food waste and suggest measures that we, as a society, can take to reduce food waste.

You can use the following ideas:

- plan your meals and use leftovers
- buy 'ugly food'.

You can make notes to use as a guideline. Preparation is individual. The test will be recorded.

Preparation time: 4 minutes
Presentation time: 5 minutes

SET 1 - CANDIDATE A**TASK 2 SPOKEN INTERACTION**
