WRITING. 55 minutes. (Marks.../10)

There are two options in this exam. You only have to do **ONE**. Write between 200-250 words and give the number of your option.

EITHER

1. You are going to write an **article** for an online magazine about how families and family roles have changed in the last 20 years in Spain. You should also assess whether these changes have been positive or negative. Write your **article** in 200-250 words and at least three paragraphs.

OR

2. Recently you used the webpage bookit.com to organize a trip to a European city. On arrival the hotel was full and you were relocated to another one miles away. There wasn't a family room so you and your children had to sleep in different rooms. Furthermore, the hotel reception and staff in general were not very helpful. To make things worse the buffet was also very limited.

Write a **complaint email** in 200-250 words, and at least 3 paragraphs, with details about what happened and ask for some action to be taken.
