MONOLOGO

Y. MONEY

Talk about your relationship with money. Give examples from yours and other people's personal experience.

- Do you consider yourself good at managing money?
- Do you think having more money would make you happier?
- Do you think women are better at managing money than men?
- Have you ever given money away? Why? How did you feel?

DIALOGO

DIALOGUE 11

(5 minutes)

You and student B have decided to take a year off. The photos show some of the things you might do during that year. First, talk together about how useful these suggestions are and then agree with your partner which would be the best thing for you to do? Why? (Your final decision doesn't have to be in the photos)
