When Hailey became aware of her difficulties at school, mental health \_\_\_\_\_ [16] talked about.

Everybody has to take care of their mental health, just as we look after our \_\_\_\_\_ [17] wellbeing.

Sadly, several \_\_\_\_\_ [18] occurred where Hailey lived in her first year of high school.

In 2018, Hailey's group organized a mental health forum where they talked about teenage mental health with a lot of empathy and \_\_\_\_\_ [19].

After doing some research, they found out that suicide is the second \_\_\_\_\_ [20] cause of teenage death in their state.

Thanks to some lobbyists and mental health \_\_\_\_\_ [21] Hailey and her team ensured a new bill was passed.

In 2019, thanks to Hailey's team, a bill to ensure mental health days for students became a \_\_\_\_\_ [22].

When students in Oregon take mental health days, schools can \_\_\_\_\_ [23] of this kind of absences.

This law will both help students practice self-care, deal with their stress, and also \_\_\_\_\_ [24].

Hailey recommends to check in with yourself every once in a while and compares life to a \_\_\_\_\_ race [25].
