TEST 9

A SPACE ODYSSEY

Space exploration is definitely expensive, but given the speed with which humans are destroying this planet, we may as well consider other alternative planets to live on. There are already private companies offering orbital flights. Talk about this issue taking into account the following points:

- How likely it is that humans may have to colonize another planet.
- Whether space tourism may become the next big industry.

TEST 10

AN AGEING SOCIETY

With one of the highest life expectancy rates in the world, Spain had its retirement age raised from 65 to 67. Are we then living healthier lives than in the past? Talk about this issue taking into account the following points:

- Reasons why life expectancy rate is rising.
- What you would and wouldn't like to do when you retire.
