According to a recent survey, people in big cities find it difficult to socialize and meet prospective partners. Internet dating is seen by many as a solution to this problem. Talk about this taking into account the following points:

- What internet dating sites have to offer
- Possible dangers of internet dating
- How the internet has affected the way we socialize

You have up to 10 minutes to prepare your talk. You can take notes or make a brief plan of what you are going to say. Talk to the examiners for about 4 – 6 minutes. You can use your notes during your talk, but you cannot read them aloud. Your production will be recorded.
