Hi there!

My name’s Julia and I’m seriously thinking about moving to Spain next year to finish my high school there. I’m really into Spanish culture, the food, the language and all that stuff... The only thing is that I don’t know where to go as I’ve never been to Spain. I come from North Dakota, in the States, which is a reeeaaally cold place so I’d say I’d rather go to....let’s say...south of Spain??? It would be great if anyone could help me with any information about where to go, the temperature there (I really want it hot), things to do and see and any other information that could be useful.

Thanks guys! Can’t wait!!!
