Books, CDs, clothes, electronics... We go shopping online for them all, without ever leaving our living rooms.”*

## TASK B

You own a beach apartment in La Manga del Mar Menor, which is included on different websites for renting. This is one of the reviews you recently got from your last English guests in May:

*“The location was perfect: beachfront stunning views”*

😊 Peaceful and quiet location. Quite a well-maintained apartment, with plenty of storage. It does have a hairdryer, new towels and clean and fresh linen. Nice beds with brand-new mattresses, which was awesome! Very convenient bathroom amenities for the whole family. The very best of all were the sights from the balcony, just in front of a great beach with crystal clear water. The kitchen is well-equipped in general, though we missed a kettle for making tea and coffee. The property owners are very kind and were really helpful to us when they welcomed us on our arrival.

😞 The wi-fi didn't work most of the time, and the TV had no English channels or stations. The outdoor pool was not open during our stay: it would open on June 1st; we couldn't use it, since we left two days earlier. We also had some problems with the elevator, which sometimes meant that we had to climb five flights of stairs to the apartment on the 5th floor, and the kids, and the shopping!!

**Write a post** on that website (**between 125-150 words**) **replying to that review**. Do not forget to include the following aspects: be thankful for the feedback; accept the complaint and be fair; inform the reviewers on how you are going to solve the issue(s); end your post on a positive note.
