TASK A. Is it time to tax unhealthy food?

In Europe, an increasing number of people are suffering from serious health problems as a result of a high consumption of soft drinks and junk food. The medical costs of these health problems are becoming too great for the public health care system. Therefore, our government is considering introducing a high tax on unhealthy foods or beverages.

To what extent do you agree or disagree with such 'fat tax' being introduced in your country?

Write a post for the *Welfare Magazine* (about 175-200 words) **and give your opinion** on this issue. Include some **reasons** why you think this measure is being considered, and its possible **consequences**.

TASK B. An American in Murcia

Jessica, an American language assistant, will be staying at your house for nine months. She has sent you an email asking for general information about her trip arrangements and her stay in the Region of Murcia.

Reply to Jessica's email with an answer to each of her questions, in **125-150 words**.

Hello, (your name)!

I am so happy to finally be in touch with you!

I have never been to the Region of Murcia, so I have so many queries regarding the **weather**, the **food**, **festivities** and **vacations**...

I have already booked my tickets for Spain! I leave on September 23, and I have a students' meeting to attend on September 28 in Barcelona. The next day I'll leave for Murcia to eventually meet you and your family. I have not yet decided whether I should travel **by train or plane**. Do you recommend one over the other?

Any other recommendations? Ah! And any special requests from the States? ☺

We'll stay in touch! I can't wait to meet you all!

Jessica xxx
