EDUCATION

TALK BRIEFLY (3 – 4 MINUTES) ABOUT THE TOPIC USING SOME OR ALL OF THE TEXTS ON YOUR CARD.

Client comment: “The website is fantastic! It’s simple but provides so much information. I am about to sit my English A-level exam and I feel so much more confident after using your site.” (Source: a popular free on-line study guide, 2008).

“Our students may be members of the public who wish to study a subject out of general interest or for personal satisfaction, members of professional groups or business organisations who wish to update their professional knowledge and skills...” (Source: Department for Continuing Education, Oxford University, 2008).

“I decided very early on that I wanted to work for myself. I wanted to make money but that wasn’t my ambition. I had a passion to prove myself...My aim is to be as big as Estée Lauder. A traditional educational route never appealed to me. I think my school was glad to get rid of me.” (Sharon Hilditch, successful business woman (Source: David Smith© The Observer, 2006).

SMOKING

TALK BRIEFLY (3 – 4 MINUTES) ABOUT THE TOPIC USING SOME OR ALL OF THE TEXTS ON YOUR CARD.

“People always come up to me and say that my smoking is bothering them... Well, it's killing me!” (Source: Wendy Liebman, USA comedienne.)

“A lit cigarette is like a chemical factory releasing poisonous fumes into your lungs and the air. Only the tobacco companies know exactly what goes into each cigarette, and only some of this information is available.” (Source: net.doctor.co.uk)

“Anti-tobacco forces are opening a new front in the war against smoking by banning it in private places such as homes and cars when children are present. Vermont, Washington and other states and counties already prohibit foster parents from smoking around children in their homes and cars.” (Source: USA Today)
