**WRITING SKILL (10 points)**

**PART 1**

You have bought a piece of electrical equipment which is faulty. Write a **letter of complaint (150 words)** to the shop from where you bought it. Your letter should cover the following points:

- Describe the item, and say why it is faulty.
- What measures you have taken or you are going to take.
- What you want the shop to do.

**PART 2**

The local newspaper has asked its readers to give their opinion about the rising coexistence of bicycles with pedestrians and other kinds of vehicles.

As you know, this fact has entailed an increasing controversy as well as disagreement regarding the proper use of public spaces. Write an **article (200 words)** about the matter. Do not forget to state your view of the problem, suggest possible actions that should be taken, and explain how they would contribute to the citizens well-being.

**PART 1 (5 points)**

Blank writing area consisting of 18 horizontal dashed lines for text entry.
