PRUEBAS DE CERTIFICACIÓN

COMPRENSIÓN ORAL

Apellidos: ....

Nombre: ....

Completa la información:

Alumno/a **OFICIAL** (Indica el nombre de tu profesor/a-tutor/a durante el curso 2016-2017: ....)
Grupo: ....

INSTRUCCIONES PARA LA REALIZACIÓN DE ESTE EJERCICIO:

o Duración: **45 minutos.**

o Este ejercicio consta de **dos tareas**. Deberás realizar las dos.

- o En la tarea 1 vas a escuchar 3 veces un documento sonoro. Deberás seleccionar una de las cuatro opciones (A, B, C o D), la que se refiera a lo que dice la grabación, y escribirla en la casilla correspondiente.
  Obtienes: 1 punto por cada respuesta correcta; 0 puntos por cada respuesta incorrecta o no dada.

- o En la tarea 2 vas a escuchar 3 veces un documento sonoro con diez extractos (1-10), que deberás relacionar con cada una de las diez preguntas (A-L), según lo que dice la grabación. A cada extracto le corresponde solo una pregunta. Hay una pregunta que no se corresponde con ningún extracto. Si se escogen las 11 preguntas, se restará un punto del total de la tarea.
  Obtienes: 1 punto por cada respuesta correcta; 0 puntos por cada respuesta incorrecta o no dada.

Muy importante: al final, comprueba que has elegido una sola opción (como en los ejemplos); si eliges dos opciones, se anulará la respuesta para ese ítem.

o **No escribas en los espacios sombreados** destinados a la calificación de las tareas.

o Sólo se admiten respuestas escritas con **bolígrafo azul o negro**.

PUNTOS: / 10

TAREA 2 – 10 puntos: You are going to hear 10 extracts of a radio programme about the process of crying and some curiosities of this human activity. You will have to match the questions (B-L) with the best extract (1-10) which corresponds to its answer. Write the number of the extract next to the question it refers to. There is one extract that you do not need to use. Letter A is an example. You will hear the recording three times.

IMPORTANT: You will get 1 point per correct answer. <u>Each statement belongs to only one extract</u>. If you use the 11 questions, ONE point will be subtracted from the total score of the task.

THE MYSTERIES OF CRYING

		Extract	
	Example: **A** *What is so special about human crying?*	**0**	✔
B	How can we avoid crying when we are depressed?		
C	How can we explain the lachrymation process?		
D	How come we cry when we are cheerful?		
E	Is crying a pain reliever?		
F	Which can be the main aim of crying?		
G	Are there any variations in the amount of crying among countries?		
H	Does crying help us emotionally?		
I	What does the experiment carried out with babies tell us?		
J	What are the different types of tears?		
K	What happens in our body when we cry?		
L	How do we release tears?
