**TAREA 2: DIÁLOGO**

You believe donating money to a non-profit organization and volunteering is a way to help society and try to make the world a fairer place. You think the most important problems in today's world (violence, refugees, prejudice, poverty, inequality...) can improve if we all collaborate with non-profit organizations and take some individual action. Tell your partner about your opinions and try to convince him/her to do the same.

**TAREA 2: DIÁLOGO**

You believe current problems in the world (violence, refugees, prejudice, poverty, inequality...) are the responsibility of governments and politicians. They spend some of our taxes on helping those who need it and on all kinds of cooperation projects with developing countries. So, you don't think you should do anything else to help as individuals. After all, not every problem can be solved and there have always been poor people and rich people in the world. Tell your partner what you think about this issue and try to convince him/her.
