

PRUEBA DE CERTIFICACIÓN DE
NIVEL C1 DE INGLÉS
CUADERNILLO DE PREGUNTAS
MUESTRA

COMPRENSIÓN ORAL (Duración: 45 minutos)

- Escuchará la audición de cada tarea **dos veces**. Tendrá tiempo al principio de cada tarea para leer las instrucciones y las preguntas, y unos instantes al final para considerar sus respuestas.
- Las respuestas deben escribirse en la **HOJA DE RESPUESTAS** adjunta, con **bolígrafo negro o azul** (no con lápiz) y en el espacio indicado. **No escriba en las zonas sombreadas**.
- **Haga todas las tareas**. Al principio de cada tarea hay un ejemplo ilustrativo con el número cero.
- Al final de la prueba entregue dentro del cuadernillo todo el papel de borrador utilizado.
- Permanezca en su asiento hasta que el profesor indique el final de la prueba.
- **NO SE EVALUARÁ NINGUNA RESPUESTA ESCRITA EN ESTE CUADERNILLO.**

TASK 1
CAREERS TALK

You will hear part of an interview with the people taking part in an event called “Communicating EU Careers to Graduates”. As you listen, complete the information using an appropriate word or short phrase. You will hear the recording twice. Number 0 has been completed as an example.

(Marking: 10 x 1 = 10 points)

- 0 *The Foreign and Commonwealth Office organized this event to profile and _____ in the EU.*
- 1 This campaign is part of the government’s attempt to add to the _____ working in the EU.
- 2 The UK government has organised this event in order to make the public aware of the _____.
- 3 The Minister for Europe, David Leadington, recently visited Edinburgh with the purpose of _____.
- 4 David Leadington, hopes to explain to the students which jobs are available and to persuade them to _____.
- 5 In Brussels, you can often see popular music groups in _____.
- 6 The application process for Fast Stream is designed to recruit people who are _____ to the job.
- 7 Applicants get the chance to _____ in a variety of exercises.
- 8 Scott Bailey says that the Fast Stream training is _____ towards each student’s specific requirements.
- 9 The candidates who pass the first stage then go to _____.
- 10 The previous selection test used to have a strong _____.

TASK 2

LOCH NESS

You are going to watch part of a documentary about Loch Ness. For statements 1-10 choose the correct option (a, b, c or d). Number 0 has been answered as an example. You will watch the video twice.

(Marking: 10 x 1 = 10 points)

0 *The last Ice Age turned _____ into a polar region.*

- a a remote part of Europe*
- b most of Europe*
- c **northern Europe***
- d the islands furthest North*

1 Loch Ness

- a became famous in the sixteenth century.
- b changes its appearance according to the seasons.
- c contains more water than any other lake in Britain.
- d is a place full of ghosts.

2 Until now, scientists have avoided studying the mystery of Loch Ness because they

- a felt that it would be too costly.
- b thought that the task would be too difficult.
- c were concerned about their limitations as hunters.
- d were worried about a loss to their prestige.

3 Dr. Glen George's project is described as part of

- a a brave undertaking.
- b an almost impossible task.
- c an incredible feat.
- d an interesting challenge.

4 Loch Ness is different from most freshwater lakes because

- a it is made up of both freshwater and seawater.
- b it is not isolated from the sea.
- c its waters are as cold as those of the Atlantic Ocean.
- d its waters flow into other inland lakes.

5 Dr. George's team hope to discover how Loch Ness works by

- a diagnosing the life spans of the different animals in the Loch.
- b examining the interactions between the animals that live in the Loch.
- c studying images of food plants.
- d studying the organisms that live there and their feeding habits.

6 The team from the Natural History Museum want to know how to distinguish

- a** endangered habitats.
- b** environments that are prone to causing natural disasters.
- c** marine environments that suffer from heavy pollution.
- d** unique and special habitats.

7 Dr. Lambshead says that there is as much water in Loch Ness as in all of the

- a** lakes in the United Kingdom.
- b** rest of Scotland.
- c** water in Britain.
- d** water in England and Wales.

8 The Loch bed is described as being

- a** almost unspoilt.
- b** generally wide and open.
- c** mostly smooth and flat.
- d** practically full of pollution.

9 Dr. Lambshead hopes that

- a** people will forget about Nessie and think about other monsters.
- b** people will use scientific criteria to decide whether Nessie may exist or not.
- c** the myth of Nessie will attract more scientists to study the Loch.
- d** their interest in Nessie will lead people to think about more scientific matters.

10 Nematodes are of particular significance because

- a** although they are affected by pollution, they survive it.
- b** their behaviour is typical of all freshwater species.
- c** they are the species which is the least resistant to pollution.
- d** they change their colour according to the density of pollution.

INGLÉS - NIVEL C1

COMPREENSIÓN ORAL

KEY

TASK 1 - CAREERS TALK

0	promote careers
1	NUMBER OF BRITS
2	GREAT CAREERS ON OFFER
3	LAUNCHING THE CAMPAIGN
4	TAKE THE PLUNGE
5	SMALL, INTIMATE VENUES
6	WELL SUITED
7	SHOW THEIR STRENGTHS/SKILLS
8	TAILORED
9	AN ASSESSMENT CENTRE
10	KNOWLEDGE ELEMENT

10

TASK 2 – LOCH NESS

0	C
1	C
2	D
3	A
4	B
5	D

6	A
7	D
8	A
9	D
10	A
