As a regular customer of a particular airline, you were surprised at their inability to cope with an unexpected situation during the coronavirus pandemic. When you boarded the plane, you realized, to your horror, that little has been done to protect your own safety on board: the plane was packed with people, the flight attendants were not wearing masks and the air-conditioning was not working.

You have decided to write a letter to the airline. Write a **letter of complaint** describing what happened, and saying what you think the airline should have done.
