You may need to use some of the words in the diagram, but it may not be necessary to mention them all. **Remember your text needs to be about the information below, not about your personal opinion.**

Hi Alice,

Of course, I can help you with your homework. That's what family is for!

Get well soon and good luck in your exams!

Your favourite uncle.

TASK 2 ORAL MEDIATION (Marks: 15)

CARS

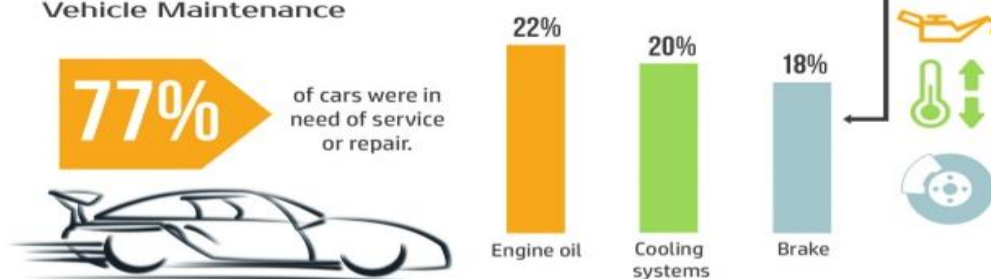

Your schoolmate was absent last week when you had a guest speaker to talk about 'Taking Good Care Of Your Car'. You saved the handout below for him, but he doesn't fully understand it and asks you for help. Explain it to him in your own words. Remember that your explanation needs to be about the information below, not about your personal opinion. You may need to use some of the words in the text, but do not copy expressions and/or full sentences. You may want to use your own examples to clarify your explanations. (About 2 minutes).
