#### The future of work

Some experts predict a utopia where work plays a lesser role in our lives, which will lead to a more inclusive society. We would have more time to pursue our interests or to do unpaid yet necessary work such as parenting or community service. What's your stance on this matter? Talk about this topic.

#### You can use the following ideas:

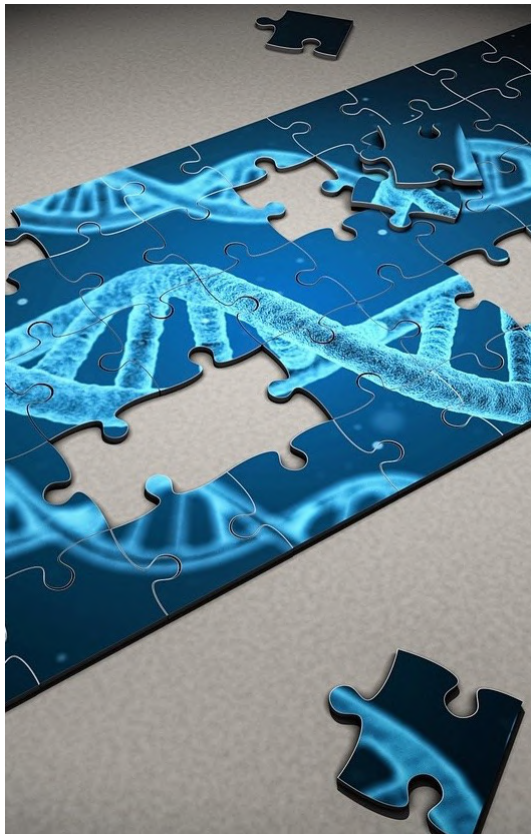

- automation to hit major job sectors
- universal basic income for everyone
- machines replacing human decision making.

You can make notes to use as a guideline. Preparation is individual. The test will be recorded.

**Preparation time: 4 minutes**  
**Presentation time: 5 minutes**

## **SET 1 - CANDIDATE A**

### **TASK 2 SPOKEN INTERACTION**

#### **Gene editing**

Gene editing has the potential to cure genetic diseases and improve human health, but it also raises ethical questions about what is acceptable in modifying the human genome. Discuss this topic with your partner (Candidate B). *You start the conversation.*

#### **You can use the following ideas:**

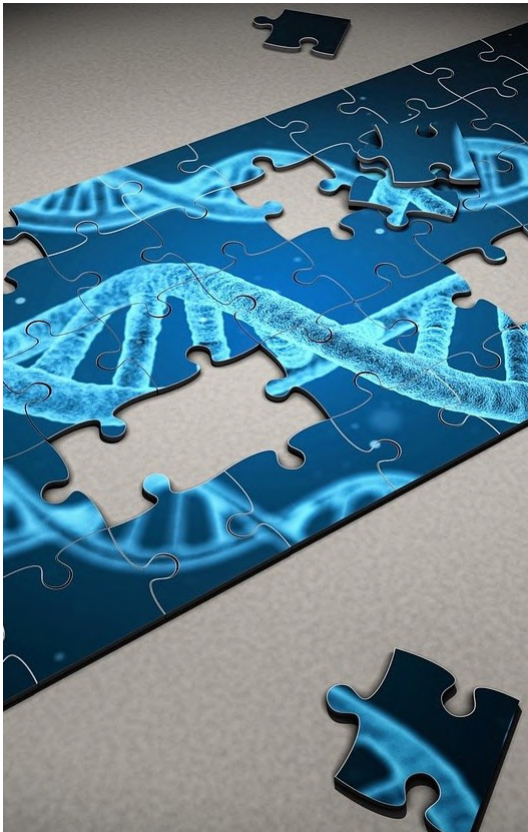

- good for humanity
- curing diseases
- just for the wealthy.

You can make notes to use as a guideline. Preparation is individual. The test will be recorded.

**Preparation time: 3 minutes**  
**Interaction time: 7-8 minutes**
