**TASK 1: INTERACTION**

(..... /12,5)

You have approximately **35** minutes to complete this task.

**TOPIC: RETAINING VOLUNTEERS**

You are a long-time volunteer at the VOLNOW non-profit organization whose volunteer rates are steadily declining. Below are some of your notes of questions addressed at a recent meeting held among a group of concerned volunteers:

*Where's the motivation to stay when there is no rewards, recognition and incentives system in exchange for the work we do? In fact, when was the last time anyone here got a simple "Thank you"? Not surprising given that we receive no feedback whatsoever on the impact our work has or on the organization itself.*

*And how effective can volunteer recruitment campaigns be when our current process of volunteer registration and sign-up is out of date? In a tech-driven world, who wants to wade through a time-consuming and complicated manual form-filling process?*

*(Adapted from <https://www.nonprofitpro.com>)*

As spokesperson, you decide to write an **email** to VOLNOW's volunteer manager in which you:

- **Notify** them about the volunteers' main concerns and grievances as they relate to declining volunteer rates.
- **Suggest** related actions to attract and retain volunteers.

- **Write between 120 and 150 words.** You must write about both points.
- Do not forget to include opening and closing remarks.

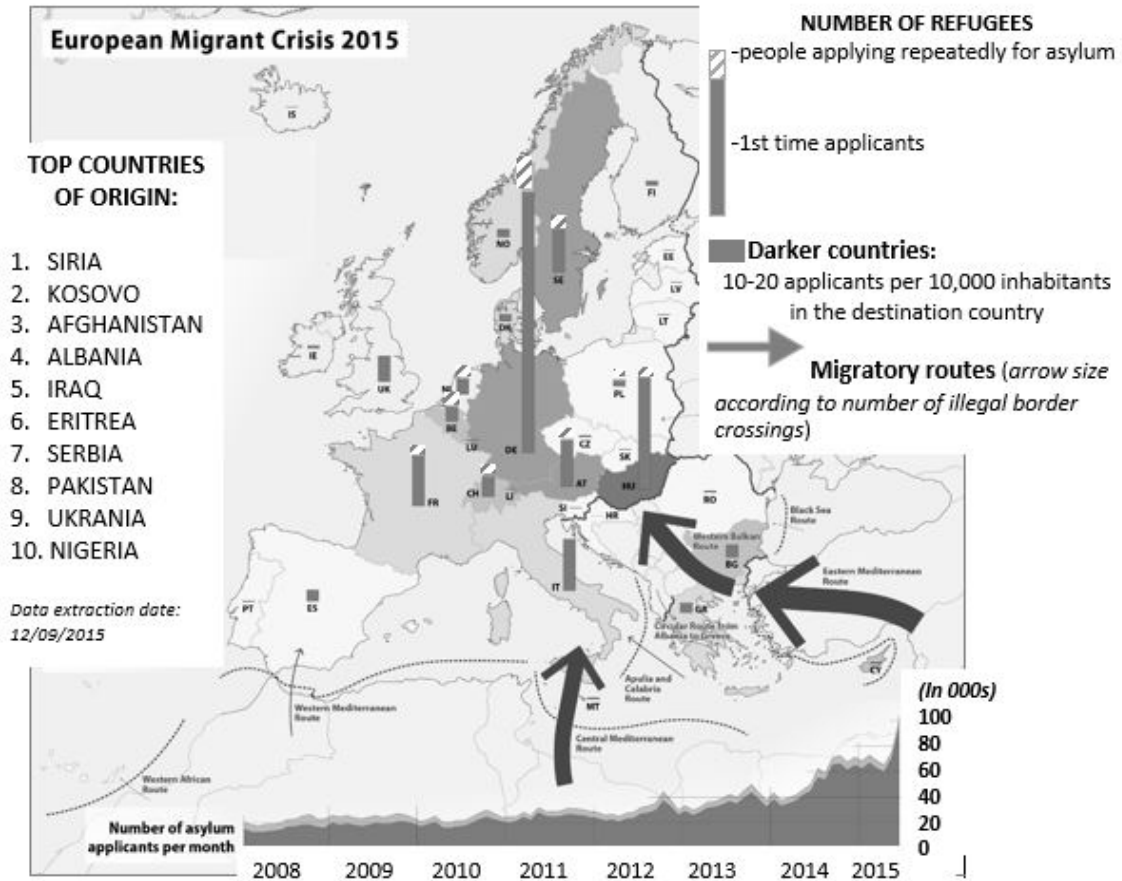

**WRITTEN PRODUCTION**

You have approximately 45 minutes to complete this task.

**TOPIC: IMMIGRATION**

You work for your regional government and have been asked to analyse the situation of asylum seekers in Europe. You are handling data on the issue, like this chart:
