TASK A. PRODUCTION. A REPORT.

In the last few years, working from home has become the new norm in many countries. The European authorities are considering the possibility of making a law in order to regulate telework across the EU. To this end, they would like to gather information and ideas from each European country.

You have been asked to write a report about the situation of telework in Spain. Include information about the current situation regarding working from home, its effects on families and offer recommendations to regulate it.

Write a REPORT (200-225 words) following the instructions above.

TASK B. CO-PRODUCTION. LETTER TO THE EDITOR.

You read an article in The Washington Post which contains the following paragraph:

Back in the spring of 2020, when the pandemic hit hard, some of us hoped that it would make us and the world better. Being on lockdown would make us reflect on our lifestyle, change what wasn't working, and ultimately prompt a profound change in society. Now, more than two years later, it's time to stop, look back and wonder what has become of that hope. Has the pandemic made us better?

Write a LETTER TO THE EDITOR (200-225 words) sharing your thoughts on the issues raised above. Send it to letters@washpost.com.
